## We Appreciate You!

*When I moved to Texas I contacted my previous Estate Planning Attorney and requested a referral for a Texas Attorney to help update my will and powers of attorney. After searching each attorney on the list, I identified Tresi Weeks with the Weeks Law firm as a good fit. When I called their office, the person I spoke was very friendly. The entire process was excellent. Tresi put me to ease and was very clear and so easy to understand. She didn't use lawyer talk. She and her office treated me like a king! They did everything they said they were going to do and they stuck to every deadline. I would highly recommend the Weeks Law Firm.*
